Join Us for Dinner—Our Treat!

We warmly invite prospective residents and their family members to gather in our dining room for a complimentary, chef-curated dinner crafted by our talented culinary team.

Share a wonderful meal, enjoy great conversation with our current residents, and get a true taste of life in our community.

Our Culinary Director will be on hand to talk about our dining experience, and Shai Mitchell, Community Relations Director, will be available to answer questions, offer insight, and provide personalized tours.

Come relax, connect, and experience the welcoming atmosphere that makes our community feel like home.
