*Celebrate Spring with Joy,
Connection & Meaningful Moments.*

Our Memory Care Café is a warm, welcoming gathering for individuals living with memory loss and their caregivers—both within our community and beyond.

In a relaxed and supportive setting, guests are invited to enjoy meaningful moments through light activities, music, crafts, and gentle conversation.

Residents, families and guests will savor fruit cups, pastries, or cookies alongside coffee or tea as you build relationships, share smiles, and feel supported every step of the way.
